 Strongly Agree Agree Neutral Disagree Strongly Disagree

4. If you answered "Disagree" or "Strongly Disagree" to Question 3, and you still have questions about the project that have not been answered to your satisfaction, would you like for someone from the project team to contact you to discuss the project with you further?
 Yes No

5. Were the exhibits at the Open House helpful to you? If not, do you have suggestions for improvements?
 Strongly Agree Agree Neutral Disagree Strongly Disagree

Suggestions for Improvement:

6. Below is a list of factors that CPS Energy, STEC, and its consultants consider when identifying and evaluating alternative transmission line route segments. Please rank your top five factors below from most important (1) to least important (5).

- | | |
|---|--|
| _____ Impact to residences | _____ Parallel existing transmission lines |
| _____ Proximity to schools, churches, cemeteries | _____ Impact to businesses |
| _____ Proximity to parks/recreational areas | _____ Impact to streams/floodplains |
| _____ Proximity to archaeological/historical site | _____ Impact to trees and other vegetation |
| _____ Impact to woodlands/grasslands/wetland | _____ Visibility of structures |
| _____ Parallel existing roadways/highways | _____ Parallel property lines |

7. Are there any other factors that you feel should be considered when identifying and evaluating alternative transmission line segments? _____

8. Following your review of the Land Use and Environmental Constraints map at the Open House or from the project website, please indicate any features that should be added which were not identified in the appropriate location or that were not included on the map. _____

9. Please identify any alternative transmission line segments that are the most preferable to you.

Please describe why. _____

10. Please identify any alternative transmission line segments that are the least preferable to you.

Please describe why. _____

11. Please indicate all that apply:

A potential transmission segment or segments are near my home/business.

List segment(s): _____

A potential transmission segment or segments cross my property.

List segment(s): _____

Other. Please specify _____

12. Is there any other information you would like the Project Team to know, or take into consideration, when evaluating the project? _____
