Tezel Board Public Input Session Update

Dear Valued CPS Energy Customer,

Due to feedback we have received and updated CDC guidelines for COVID-19, an in-person option and community dialog opportunity have been added for this meeting. A virtual format will remain for those who prefer to participate remotely.

Prior to making a final determination of the substation site, the CPS Energy Board of Trustees will host a hybrid Public Input Session on the evening of June 24, 2021, to hear customer input and comments about all proposed substation sites (see attached map), including our recommended substation site 5.

AGENDA: June 24, 2021
Coke R. Stevenson Middle School
8403 Tezel Rd.

- 5:00 PM – Open House (In-person)
- 5:30 PM – Presentation & Community Dialog (Virtual & In-person)
- 6:30 PM – Board Public Input Session (Virtual & In-person)

For your convenience, the meeting will be livestreamed on cpsenergy.com starting at 5:30 PM. Please click on the banner displayed on our home page for further direction the day of the meeting.

You may also call in and listen to the meeting by dialing 888-886-6602 at 5:30 PM on the date of the event. If you prefer to receive a call when the meeting begins, please register no later than 3:00 PM CT on June 24, 2021 at: <https://tthm.wufoo.com/forms/tezel-substation-public-input-session> or visit cpsenergy.com/tezel. *Please note: if you are calling in, or have registered to receive a call, you will not be able to view the presentation unless you are livestreaming from a separate device.*

If you would like to address the CPS Energy Board of Trustees and provide comment regarding the Tezel Project, please see the next page with directions on how to pre-register during the registration period, which will be held on Wednesday, June 23, 2021, between 7:00 AM - 1:00 PM.

Thank you in advance for taking the time to join us.

Sincerely,

Antonio DeMendonca
Project Manager
