The WebEx meeting was called to order at 11:05 by Chair Luisa Casso.

WINTER STORM & RECOVERY UPDATE

Paula Gold-Williams, President & CEO gave an update to CAC members. She apologized for what happened and mentioned that everyone's experience in SA had a terrible experience with the outage.

Many of our employees worked thru same challenges

Energy market low and

We weather to the extreme

First and fore most I want to indicate that I have no idea actually no one's experience that happened here.

Adelita – People we know that never lost power, no rolling blackouts and they don't live near hospitals, fire or police stations. Hearing what CPS has to say about billing, customers know that have to still pay.

Raquel - Why was there no better coordination with large businesses and the city to have the power titled off sooner at the larger empty business buildings and city buildings?

Luisa – What is your sense

Paula – Number one priority is to find a way to help Texas.
